Supply Chain and Logistics Institute

On Campus/In-Person Supply Chain Day
Organization Flyer

Overview

Supply Chain Day is a career fair and opportunity to meet students specifically interested in the field of supply chain and logistics, to let them know more about your company, and to make them aware of job opportunities within your organization.

Our On Campus/In-Person event will take place Wednesday, September 9, 2026 | 10am-2pm ET on the Georgia Tech main campus at the Georgia Tech Exhibition Hall.

Student Audience

Our sessions primarily serve graduate and undergraduate students from the Stewart School of Industrial and Systems Engineering (ISyE). The event is also publicized to the larger GT community for students interested in supply chain and logistics opportunities. Attendance typically ranges from 200-250 students (based on past attendance…40% undergraduate students, 35% masters in supply chain engineering students, 20% other masters students, 5% Ph.D. students). For those not familiar with ISyE, please refer to the ISyE Facts and Rankings and ISyE/MS SCE Overview.

Registering and Posting Student Opportunities (Please Read Carefully)

Once your organization has registered for the event through CareerBuzz/Symplicity AND submitted payment, the primary contact listed for your organization will receive instructions on how to share employment opportunities with participating students. We strongly encourage organizations to post these opportunities by August 27, 2026, so students have time to review them in advance of the event.

Examples of Organization Table Setup

ISyE and SCL visitors,

We welcome you to the Georgia Tech Campus and hope your visit is a pleasant one. Our campus is very large and can be a bit confusing. **If you are not familiar with the GT campus, you will want to arrive early to give yourself enough time to park and reach your destination on time**. Also, please note that SCL and ISyE has moved across campus to the George/Scheller Tower on 5th Street in Tech Square near the Georgia Tech Hotel and Conference Center. Note that many Georgia Tech maps with show ISyE next to the GT Exhibition Hall until they are updated.

The closest visitor parking to the Georgia Tech Exhibition Hall is Visitor 3 Public Parking (see below map)**, which is close to the intersection of Ferst Drive and Regents Drive**. Please note that if Visitor 3 Public Parking is full, we suggest trying Visitor 2 Public Parking (*Student Center*), then Visitor Area 4 (*State Street & Ferst Drive*), then Area 8 (*Tech Square & GT Hotel and Conference Center - involves riding the Tech Trolley to the Campus Recreation Center (CRC) stop…ISyE is located across the street from the CRC*). If your visit will be brief, you have the option of finding a metered space in the immediate vicinity (there are 5 metered spots on Ferst Drive across from Campus Recreation Center – 2 hour limit, 15 minutes = .25, 6 minutes = .10, 3 minutes = .05 -- bring change). Please note that select lots require that you prepay for parking before leaving the lot, so please note any signage when entering the parking area. Other lots let you pay by credit card upon leaving. Parking fees are typically $1.50-$2 per hour.

The SCL suite is located with ISyE on the 7th floor of the George Tower in Tech Square. The **GT Exhibition Hall** is located on the west side of campus across the street from the Student Health Center.
