

Overview

Supply Chain Day is a career fair and an opportunity to meet Georgia Tech students specifically interested in the field of supply chain and logistics, to let them know more about your company, and to make them aware of job opportunities within your organization.

Our **On Campus/In-Person** event will take place **Wednesday, September 9, 2026 | 10am-2pm ET** on the Georgia Tech main campus at the [Georgia Tech Exhibition Hall](#).

Student Audience

Our sessions primarily serve graduate and undergraduate students from the [Stewart School of Industrial and Systems Engineering](#) (ISyE). The event is also publicized to the larger GT community for students interested in supply chain and logistics opportunities. Attendance usually falls between 200 and 300 students, with past data showing approximately 40% are undergraduates, 35% are master's students in supply chain engineering, 20% are other master's students, and 5% are Ph.D. candidates. For those not familiar with ISyE, please refer to the [ISyE Facts and Rankings](#) and [ISyE/MS SCE Overview](#).

Registering and Posting Opportunities for Students (Please Read Carefully)

Once your organization has registered for the event through CareerBuzz/Symplicity (<https://gatech-csm.symplicity.com/employers/>) AND submitted payment, the primary contact listed for your organization will receive instructions on how to share employment opportunities with participating students. We strongly encourage organizations to post these opportunities by August 27, 2026, so students have time to review them in advance of the event.

Shipping Address

Shipping Information (Temporary Notice)

For our September 2026 Supply Chain Day, ISyE and SCL will be relocating across campus. As a result, a final shipping address is not yet available.

Updated shipping instructions will be provided in August 2026, and this flyer will be revised accordingly. We appreciate your patience and flexibility.

Upon arrival, look for our team members in an SCL polo shirt so we can introduce ourselves and show you to your table.

Examples of Organization Table Setup

ISyE and SCL visitors,

We welcome you to the Georgia Tech Campus and hope your visit is a pleasant one. Our campus is very large and can be a bit confusing, so **if you are not familiar with the GT campus, you will want to arrive early to give yourself enough time to park and reach your destination on time.**

The closest visitor parking to the ISyE Complex and Exhibition Center is Visitor 3 Public Parking (see below map), **which is close to the intersection of Ferst Drive and Regents Drive.** Please note that if Visitor 3 Public Parking is full, we suggest trying Visitor 2 Public Parking (*Student Center*), then Visitor Area 4 (*State Street & Ferst Drive*), then Area 8 (*Tech Square & GT Hotel and Conference Center - involves riding the Tech Trolley to the Campus Recreation Center (CRC) stop...ISyE is located across the street from the CRC*). If your visit will be brief, you have the option of finding a metered space in the immediate vicinity (there are 5 metered spots on Ferst Drive across from Campus Recreation Center – 2 hour limit, 15 minutes = .25, 6 minutes = .10, 3 minutes = .05 -- bring change). Please note that select lots require that you prepay for parking before leaving the lot, so please note any signage when entering a parking area. Other lots let you pay by credit card upon leaving. Parking fees are typically \$1.50-\$2 per hour.

The SCL suite is part of the ISyE Complex (ISyE Main Building, ISyE Groseclose Building, Instructional Center), **and located in the Groseclose Building** which is connected to the **ISyE Main Building** by a 2nd floor enclosed bridge. The **GT Exhibition Hall** is located adjacent to the ISyE Main Building.
