

SCL IRC Seminar Visitors,

We welcome you to the main Georgia Tech Campus and hope your visit is a pleasant one. The Georgia Tech campus is very large and can be a bit confusing, so if you are not familiar with the GT campus, you will want to arrive early to give yourself enough time to park and reach the venue.

We suggest parking in Area 3 (see attached map), **which is at the corner of Ferst Drive and State Street.** If Area 3 is full, we suggest trying Area 2, then Area 4, then Area 8 and riding the Tech Trolley to the Hemphill stop (GTMI is located across the street). Select lots require that you prepay for parking before leaving the lot, so please note any signage when entering a parking area. **Area 3 provides a ticket upon entrance to this visitor lot and requires payment on your way out. The payment machine accepts credit cards.**

The event venue is down the street from the ISyE complex and a 5-10 minute walk:

Georgia Tech Manufacturing Institute (GTMI)

813 Ferst Drive, N.W., Atlanta, GA 30332-0560

The session will take place on in the first floor auditorium in the GTMI Building. We look forward to meeting you.
