ISyE and SCL visitors,

We welcome you to the Georgia Tech Campus and hope your visit is a pleasant one. Our campus is very large and can be a bit confusing, so if you are not familiar with the GT campus, you will want to arrive early to give yourself enough time to park and reach your destination on time. Also, please note that a large-scale construction project adjacent to the ISyE Complex continues to effect traffic/pedestrian patterns as well as parking.

The closest visitor parking to the ISyE Complex is Visitor 3 Public Parking (see below map), which is close to the intersection of Ferst Drive and Regents Drive. Please note that if Visitor 3 Public Parking is full, we suggest trying Visitor 2 Public Parking (Student Center), then Visitor Area 4 (State Street & Ferst Drive), then Area 8 (Tech Square & GT Hotel and Conference Center - involves riding the Tech Trolley to the Campus Recreation Center stop...ISyE is located across the street from the CRC). If your visit will be brief, you have the option of finding a metered space in the immediate vicinity (there are 5 metered spots on Ferst Drive across from Campus Recreation Center – 2 hour limit, 15 minutes = .25, 6 minutes = .10, 3 minutes = .05 -- bring change). Please note that select lots require that you prepay for parking before leaving the lot, so please note any signage when entering a parking area. Other lots let you pay by credit card upon leaving. Parking fees are typically $1.50-$2 per hour.

The SCL suite is part of the ISyE Complex (ISyE Main Building, ISyE Groseclose Building, Instructional Center), and located in the Groseclose Building which is connected to the ISyE Main Building by a 2nd floor enclosed bridge.

ISyE Main Building

Visitor 3 Public Parking

Make your way in between Student Center and Student Services. Use temporary construction bridge to move around right of construction.

Make your way to Ferst Dr from parking areas and follow green path to front entrance of ISyE Main across from Campus Recreation Center (easier route).
As noted in previous map, green path from Visitor 3 Public Parking is the suggested route.

If you choose to take blue path versus the easier green path to the ISyE Main Building, please refer to the illustration to the right which shows going in between the Smithgall Student Affairs building and Student Center towards the interior of campus. You then have to make your way into the courtyard of the ISyE complex and to the appropriate building (i.e. ISyE Main or Groseclose building).
